PARTNERS IN EDUCATION

THE ROCKINGHAM EDUCATIONAL FOUNDATION

WOULD LIKE TO COUNT YOU IN!

There is no more valuable investment in our community than creating a public education system that prepares our children to be successful. REFI believes the future of Rockingham County rests upon every child in our schools being prepared for graduation and beyond. The Foundation has experienced the power of these community partnerships, and that is why I am reaching out to you for your support. Would you consider becoming a **Partner in Education** with REFI?

Our mission ***with your support*** is to secure financial resources to...
Inspire Learning
Enrich Teaching
Recognize the Success of Students & Teachers

Teacher Recognition

Recognition of and appreciation for the job that our teachers do every day in the classrooms is vitally important. REFI recognizes one teacher from each of the 25 schools as the Teacher of the Year.

Innovative Learning Grants

Innovative Learning Grants ask educators to provide a learning experience that actively engages students, stimulates and motivates students to achieve academic excellence, aligns to academic standards, and can be replicated at other schools.

Scholarship

REFI is entrusted with funds for over 75 scholarships for our high school students. Many local donors seek to honor or remember a special person and make a financial contribution for a scholarship.

Teacher Supply Depot

REFI manages a collection of ever-changing new and used materials and equipment in a depot warehouse. Rockingham County Public Schools staff members may select items for use in the classroom with the students.

Early Literacy

REFI supports a variety of activities in this area to support learning for all levels. The Foundation presents a new book to approximately 900 kindergarten students on the first day of class, so that each will own and love reading and learning.

The Rockingham Educational Foundation, Inc. (REFI) was established in 1994 to support quality public education in Rockingham County Public Schools. It is a 501(c)(3) non-profit organization.

See the reverse side for more information on how you can become a Partner in Education

PARTNERS IN EDUCATION

Partners in Education Advantages: The Foundation plays a pivotal role in the future of our county by striving to improve the quality of education for our children. Our programs and initiatives are focused on areas that have the most impact in and outside the classroom in supporting improvement and transformation efforts in Rockingham County Public Schools. We are committed to providing our **Partners in Education** an outstanding return on their investment by communicating the impact that their partnership has made in our schools. In addition to the benefits listed, each **Partner in Education** will receive acknowledgment through local media outlets, logo on REFI website for 1 year & inclusion in social media communications and logo included on event materials (website, invitation, program).
