

# **THE ROCKINGHAM EDUCATIONAL FOUNDATION** *WOULD LIKE TO COUNT YOU IN!*

There is no more valuable investment in our community than creating a public education system that prepares our children to be successful. REFI believes the future of Rockingham County rests upon every child in our schools being prepared for graduation and beyond. For more than 25 years, the Foundation and our public schools have been positively impacted by the power of community partnerships. How might you become a **Partner in Education** with REFI?

Our mission *with your support* is to secure financial resources to...  
Inspire Learning, Enrich Teaching, and Recognize the Success of  
Students & Teachers

### **Teacher Recognition**

Recognition of and appreciation for the job that our teachers do every day in the classrooms is vitally important. REFI recognizes one teacher from each of the 25 schools as the Teacher of the Year.

### **Innovative Learning Grants**

Innovative Learning Grants ask educators to provide a learning experience that actively engages students, stimulates and motivates students to achieve academic excellence, aligns to academic standards, and can be replicated at other schools.

### **Scholarships**

REFI is entrusted with funds for over 75 scholarships for our high school students. Many local donors seek to honor or remember a special person and make a financial contribution for a scholarship.

### **Teacher Supply Depot**

REFI manages a collection of ever-changing new and used materials and equipment in a depot warehouse. Rockingham County Public Schools staff members may select items for use in the classroom with the students.

### **Early Literacy**

REFI supports a variety of activities in this area to support learning for all levels. The Foundation is a Founding Sponsor for the Dolly Parton Imagination Library which provides free books to all children under 5 years old in Harrisonburg and Rockingham County.

REFI was established in 1994 to support quality public education in Rockingham County Public Schools. REFI is a 501(c)(3) non-profit organization.
